TECHNICAL INFORMATION

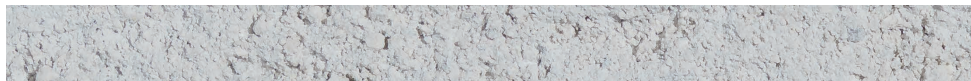

Our mortars are produced in an ISO9001 quality controlled environment to the requirements of a general purpose masonry mortar as set out in EN 998-2:2010. Coloured mortars are available in a range of strength classes to suit your requirements. Images displayed are for guidance only, some variation is to be expected. Always request full samples prior to purchase.

Working in partnership with kilsaran, leading producers of mortar since 1964.

See www.imperialbricks.co.uk for all technical details and data sheets.
